*For safety reasons the credit card organization not only needs to know name, address and postal code of the card holder but also demands the so –called CVC code (card validation code). This is the three-digit number at the back of your card at the right side of your credit card number.

Hotel Rooms

Small blocks of rooms have been reserved for ISCFR attendees at a limited number of hotels located throughout the city.

Hotel reservations must be made through <http://www.nethotels.com/forward.asp?IDLink=51> to get the ISCFR negotiated room rate. The number of rooms available at the group rate in each hotel is limited. Therefore, please make your reservations as early as possible to increase the likelihood of obtaining the accommodations of your choice.

Instructions for making reservations if the ISCFR negotiated room rate is no longer available: Click on <http://www.nethotels.com>. Indicate dates and requirements. You can also click the “All Hotels” button that will list all hotels and a brief description of each hotel. Proceed to make your reservation by clicking on the “Book” or “Request” button. You can also try <http://www.booking.com/>

All Organizing Committees wish you a pleasant stay at the ISCFR in Vienna 2008
