To enable European equine veterinary practitioners to benefit maximally from the presence in the Netherlands of a number of prominent researchers/clinicians in the field of equine reproduction, the local organising committee of the Ninth International Symposium on Equine Reproduction (ISER IX) and the Netherlands Equine Veterinary Association (GGP) are organising a one-day meeting:

**Equine reproduction in the 21st century**

The meeting will be held at Rolduc Congress Centre, Kerkrade, the Netherlands on **Saturday 5th August, 2006** (just prior to ISER IX).

The meeting will be chaired by Professor W.R. Allen (Equine Fertility Unit, Newmarket, UK). The speakers will be:

- Katrin Hinrichs (Texas A&M University, USA)
- Michelle LeBlanc (Rood & Riddle Equine Hospital, Kentucky, USA)
- Angus McKinnon (Goulburn Valley Equine Hospital, Victoria, Australia)
- Edward Squires (Colorado State University, USA)
- Mats Troedsson (University of Florida, USA)
- Dickson Varner (Texas A&M University, USA)

Registration fee for this one-day meeting will be:
- After 1st July, 2006: € 250 (exc. VAT)
