

In Depth: Emerging Infectious Diseases

Equine West Nile Encephalitis: Epidemiological and Clinical Review for Practitioners	1
<i>Maureen T. Long, DVM, PhD, Eileen N. Ostlund, DVM, PhD</i>	
Foreign Animal Disease Investigations: Who to Call and What to Expect	7
<i>Brian J. McCluskey, DVM, MS</i>	
Anthrax, Screwworms, and Equine Piroplasmiasis—Subdued but Not Eradicated	12
<i>John R. Irby, DVM</i>	
Foreign Animal Diseases with Equine Potential	16
<i>Corrie Brown, DVM, PhD</i>	

In Depth: Current Concepts in Equine Nutrition

Feeding the Geriatric Horse	21
<i>D. G. Pugh, DVM, MS, Diplomate ACT, Diplomate ACVN</i>	
Recent Developments in Equine Nutrition with Farm and Clinic Applications	24
<i>Ginger A. Rich, PhD, Leslie H. Breuer, PhD</i>	

Reproduction

Relationship Between Estradiol 17- β and Endometrial Echotexture During Natural and Hormonally Manipulated Estrus in Mares	41
<i>Natalie D. Bragg Wever, DVM, MSc</i>	
Use of Computer-Assisted Image Analysis to Determine the Interval Before and After Ovulation	48
<i>Elaine M. Carnevale, DVM, PhD</i>	
Mares Susceptible or Resistant to Endometritis Have Similar Endometrial Echographic and Inflammatory Cell Reactions at 96 Hours After Infusion with Frozen Semen and Extender	51
<i>Farshad Maloufi, DVM</i>	
Nd:YAG Laser Photoablation of Endometrial Cysts: A Review of 55 Cases (2000–2001)	58
<i>Richard L. Griffin, MS, DVM</i>	
Effects of Deslorelin Administration in Vulvar Mucosa, with Removal in 2 Days, in Foal-Heat Mares	61
<i>Konnie M. Wendt, DVM</i>	

Comparison of Three Holding Solutions for Cooled Storage of Equine Embryos <i>Mohammad Moussa, DVM</i>	65
Induction of Lactation and Adoption of Foals by Non-Parturient Mares <i>Peter F. Daels, DVM, PhD, Diplomate ACT, ECAR</i>	68
Effects of Ponazuril on Reproductive Function of Stallions <i>Steven P. Brinsko, DVM, MS, PhD, Diplomate ACT</i>	72

Milne Lecture: Equine Orthopedics

On Bucked Shins <i>D. M. Nunamaker, VMD, Diplomate ACVS</i>	76
On Bone and Fracture Treatment in the Horse <i>D. M. Nunamaker, VMD, Diplomate ACVS</i>	90

In Depth: Mule/Donkey Medicine and Surgery

Anatomical Differences of the Donkey and Mule <i>Suzanne L. Burnham, DVM</i>	102
Anesthesia of Donkeys and Mules: How They Differ from Horses <i>Nora S. Matthews, DVM, Diplomate ACVA</i>	110
Donkey Reproduction <i>D. G. Pugh, DVM, MS, Diplomate ACT, Diplomate ACVN</i>	113
Donkey and Mule Scenarios: When to Stop, Think, Read, or Call <i>Tex S. Taylor, DVM</i>	115

Medicine I

A Review of the Diagnosis and Treatment of Rhabdomyolysis in Foals <i>Stephanie J. Valberg, DVM, PhD</i>	117
<i>Rhodococcus equi</i> Foal Pneumonia: Failure of Serologic Tests to Accurately Detect Disease <i>Ronald J. Martens, DVM</i>	122
Botulism in Foals: A Survivable Disease <i>Pamela A. Wilkins, DVM, PhD</i>	124
Evaluation of the Ability of Di-tri-octahedral Smectite to Adhere to <i>Clostridium difficile</i> Toxins and <i>Clostridium perfringens</i> Enterotoxin In Vitro <i>N. M. Cote, DMV, DVSc</i>	127
Clostridial Myonecrosis in Horses <i>S. F. Peek, BVSc, MRCVS, PhD, Diplomate ACVIM</i>	131
Clostridial Myositis: Evaluation of Normal Equine Skeletal Muscle for the Presence of Clostridial Spores <i>Modest Vengust, DVM</i>	134
Recurrent Urolithiasis Associated with Unilateral Pyelonephritis in Five Equids <i>Harold C. Schott II, DVM, PhD</i>	136

- Antimicrobial Resistance: What's the Big Deal? Importance of Antimicrobial Resistance to the Equine Practitioner** 138
Josie L. Traub-Dargatz, DVM, MS, Diplomate ACVIM

Radiology

- Magnetic Resonance Imaging in 18 Horses with Palmar Foot Pain** 145
Sue J. Dyson, VetMB, PhD
- Review: Understanding Radiographic Changes Associated with Navicular Syndrome—Are We Making Progress?** 155
William R. Widmer, DVM, MS
- The Role of Select Imaging Studies in the Lameness Examination** 161
M. J. Martinelli, DVM, PhD

Medicine II

- Cartilage Degeneration: Current Research Evaluating Stabilization versus Resurfacing** 170
Mark D. Markel, DVM, PhD, AVMF Bayer Excellence in Equine Research Award Recipient, 2002
- Comparison of Vitex agnus castus Extract and Pergolide in Treatment of Equine Cushing's Syndrome** 175
Jill Beech, VMD
- Thyroid Function in Horses with Peripheral Cushing's Syndrome** 178
Emily A. Graves, VMD
- Prevention of Equine Protozoal Myeloencephalitis (EPM)** 181
William J. A. Saville, DVM, Diplomate ACVIM, PhD
- A Review of Possible Environmental Sources of Drug Positives** 186
Cynthia Kollias-Baker, DVM, PhD
- Clinical Field Trial to Evaluate the Efficacy of Topically Applied Diclofenac Liposomal Cream for the Relief of Joint Lameness in Horses** 190
Joseph J. Bertone, DVM, MS
- Exercise-Induced Arterial Hypoxemia in Thoroughbreds Is Not Affected by Administration of the H₁ Histamine Receptor Antagonist Tripeleennamine Hydrochloride** 194
Thomas E. Goetz, DVM, Diplomate ACVIM

In Depth: Inflammatory Airway Disease

- IAD: Cough, Poor Performance, Mucus in the Airways—What Is So Important About That?** 200
Laurent L. Couëttil, DVM, Diplomate ACVIM
- Newest Diagnostic Methods for Inflammatory Airway Disease (IAD)** 208
Andrew Hoffman, DVM, DVSc
- Treatment of Inflammatory Airway Disease: Aerosol Delivery Devices and Medications** 218
Bonnie R. Rush, DVM, MS, Diplomate ACVIM

Surgery

- Transendoscopic Laser Cauterization of the Soft Palate As an Adjunctive Treatment for Dorsal Displacement in the Racehorse** 228
Patricia M. Hogan, VMD, Diplomate ACVS
- Laryngoplasty and Ventriculectomy or Ventriculocordectomy for the Treatment of Laryngeal Hemiplegia in 104 Draft Horses** 231
Beth M. Kraus, DVM
- New Perspectives on Diagnosis and Treatment of Progressive Ethmoid Hematomas** 233
Lloyd P. Tate, Jr., VMD, Diplomate ACVS
- A Review of Conditions of the Equine Temporomandibular Joint** 240
H. David Moll, DVM, MS, Diplomate ACVS
- Continuous Butorphanol Infusion for Analgesia in the Postoperative Colic Horse** 244
Debra C. Sellon, DVM, PhD, Diplomate ACVIM
- Results of Plate Fixation of Third Metacarpal and Metatarsal Diaphyseal Fractures** 247
Christopher P. Beinlich, DVM, MS
- Equine Meniscal Injuries: A Retrospective Study of 14 Horses** 249
Mary Beth Whitcomb, DVM
- Correlation of Lesion Size with Racing Performance in Thoroughbreds After Arthroscopic Surgical Treatment of Subchondral Cystic Lesions of the Medial Femoral Condyle: 150 Cases (1989–2000)** 255
E. A. Sandler, DVM

How-To Session

- How to Inject the Sacroiliac Joint Region in Horses** 257
Emmanuel Engeli, MedVet
- How to Perform Umbilical Sonograms in the Neonate** 261
Robert Franklin, DVM
- How to Prepare for Ocular Surgery in the Standing Horse** 266
